CHUCK SMITH'S NEW QUICK-TURN REAL ESTATE EXPO

- ★ My newly created Quick-Turn Real Estate Expo will be **coming to your area in 2007**, and it's **FREE**. I am the **only real estate guru that can prove** I have quick-turned 3,000 house and I prove it with copies of checks. I am also the only guru that can prove I have created millionaires and changed the lives of my 8,000 students. And get this, I have only been teaching my trademarked system for three years.
- ★ I have exposed other so-called "gurus" for what they are—snake oil salesman. **I speak the truth** from the street on how to get filthy stinking rich. In fact, most of these gurus hate me because I have refused to lie, cheat and steal.
- ★ I served as a police officer for 15 years and was one of the most decorated officers in Cleveland. I have a Special Operations background and still serve as a Naval Officer in the Reserves. **I love my country** and my sole purpose is one of service.
- ★ I have spoken before crowds of 21,000 and shared the stage with Donald Trump, New York City Mayor, Rudy Giuliani. That day **21,000 people voted me the best teacher**. I am both humbled and honored.

Dear Friend,

I am coming to your city and **my event is FREE**. I want to create 1,000 millionaires in 2007. Folks I don't care what your race, educational level, or how broke you are. I can change your life. **My Real Estate Expo will be 100% teaching**. I will not waste money to bring in some celebrity to take up time when I could better use the time teaching you myself.

disabilities. I am a multi-millionaire in spite of the cards life dealt me.

I consistently train medical doctors, lawyers, and Fortune 500 CEO's who come to me to create wealth. I also train high school dropouts who then earn up to \$300,000 per ear.

Don't fall for gurus that brag about corporate jets! What a waste! It's just a gimmick to reel you in. I fly first class when I fly. If you need a private jet you certainly must be enjoying an extravagant lifestyle with your family.

What I will cover in my Quick-Turn Real Estate Expo:

1. No landlording needed—enough said
2. No bank loans or use of your own money
3. How to raise private money
4. How to make \$1,500 per hour
5. Why you should not buy, renovate and sell houses
6. How to make \$25,000 Quick-Turning Deeds®
7. Why you should never buy a house without using my trademarked Building and Cultivating a Buyers List®
8. Why you should not have an office outside of your home
9. How to use my 9-1-1 Marketing System® to get all the motivational sellers you can stand
10. How to manage your business so you keep the money you earn
11. How to Quick-Turn Luxury homes and make seven-figure checks sing no money

There's an old saying, "**A wise man investigates what a fool takes for granted.**"

My Quick-Turn Expo is **FREE if you pre-register**. You will also receive a **FREE** digital camera.

Don't fall prey to those who charge \$150–\$200 just to attend. I hope to see you soon.

Thank you,

Chuck Smith
